

Fraud Alert

Fraudulent Text Messages

October 12, 2016 – Please be aware that some Crescent Credit Union members have received fraudulent text messages on their mobile phones. The texts suggest that there is something wrong with the members' debit card or ATM card and request that the member reply back with their card information and PIN number.

If you receive a text message like this, please be assured that it DID NOT come from Crescent Credit Union, and DO NOT reply back with your card information or PIN. Please notify us immediately at 1-800-894-4445 if you receive such as message.

If you provided the information requested in a reply to the text, please call 1-800-554-8969 to have your card closed out immediately, and be sure to monitor your account for unusual activity.
